HERE IS YOUR FREE COLLEGE LEVEL EDUCATION IN HELP

INTRODUCTION: The Educational Community 501(c)(3) nonprofit corporation enthusiastically welcomes you to the forever FREE college level education that rapidly teaches Einstein's solution to make life wonderful for our loved ones and humanity. You will learn the 4 HELP qualities: **H**appiness, **E**nough, **L**ove, and **P**eace we require to survive and thrive in this new era of weapons with ultimate destructive power (**WUD**). Live Internet links provided here instantly access to all EC course content.

The mission of the Educational Community (EC) 501(c)(3) nonprofit corporation is to collect the wisdom of inspired teachers and make them available forever FREE to everyone, everywhere, any time. Wise leaders concluded all humankind is endowed with *the right to life, liberty, and the pursuit of happiness*. The collective genius of people all over the world is needed to create a home where people help one another and educate our citizens in the skills that make life wonderful. The HELP curriculum is designed to be "*of the people, by the people, and for the people*." Working together, our combined energy will be unstoppable.

Einstein and others have told us the root cause of the biggest puzzles we must solve are ones we create, for example, the unleashing of WUD, global warming, pollution, starvation, material and spiritual poverty, greed, addictions, the recent increase of mass murder from "shooters," and suicide. This is wonderful news because if we create a problem, we are in the position to do something about it. We have even more wonderful news. Einstein recognized the root cause of the most common dangers we face. We are addicted to a way of thinking that has suddenly become more instantly fatal than any other addiction or disease. Einstein's most important insight was to tell us a solution: we shall require a newer way of thinking. We now have the wisdom and the technology to rapidly teach ourselves the universal skills that transform today's dreams into tomorrow's reality. And the Internet makes education available at little or no cost.

We believe HELP is the first and sadly the only educational program that exceeds all the criteria required to succeed in creating Einstein's ANWOT solution. Here's why: The EC curriculum to teach happiness, love, and peace is evergreen, welcomed by all or most tribes; easy to teach and learn by ordinary citizens; is enjoyable, quick, effective and efficient; creates rapid measurable results for most with 30 minutes study/day for 30 days; becomes automatic and effortless with continued use; can be made rapidly viral on the Internet and mass media through the domino effect; and is guaranteed forever FREE to everyone, everywhere, anytime so no one need be excluded. Please notify the EC if you know of any other plan that meets these requirements so we can strengthen our efforts. Popularizing Einstein's ANWOT solution is presently our best hope to save our loved ones and humanity from the threats we ourselves create.

RECOMMENDED FIRST STEPS! Begin immediately by clicking Guide to get the step-by-step roadmap to the course. Then to get 10 brief recordings that are the "centerpeace" of the HELP curriculum. 2 relatively secret love creation skills teach the modern version of The Golden Rule: "*Love myself with the abundance that overflows to enrich the world.*" 7 easy to learn Mind-freeing, Life-changing, World-saving *word-switches* are the easiest, quickest, most enjoyable and effective way to free your wish-granting *genie organ* (cerebral cortex) to make your already significant life REALLY meaningful. The Case Study recording illustrates how the 7plus2 Formula works. Most individuals can experience the power of the 7plus2 Formula with 30 minutes study/day for 30 days and make them automatic and effortless with continued practice.

These 10 recordings teach Einstein's solution to the BIGGEST Puzzle:

Why do we fill our world with fear, scarcity, hate, and war when what we want and need is HEL P…happiness, enough, love, and peace?

Einstein told us, ***We shall require a newer way of thinking*** **(ANWOT).** Insanity is trying to solve a problem with the same way of thinking that caused it and expecting a different result. People resist being told their way of thinking is crazy.

Here are some of many benefits when you learn and practice the 7plus2 Formula:

- Become your own best friend and traveling companion lifelong
- Welcome love from others instead of being dependent on it
- Bully proof your kids when you teach them to love themselves unconditionally
- Become part of the solution instead of remaining a source of the problem
- Enjoy each day with chronic enthusiasm
- Understand your life's meaning and purpose.
- Benefits beyond your imagination; some that you will create and pay forward

If you only learn the 7plus2 Formula, you will elevate your intentions from your instinct driven animal brain to your puzzle solving human brain, i.e. your *genie organ* that grants wishes. When you experience the benefits, you will want to join Einstein's World Peace Army, a million member movement of the ANWOT teachers essential to make our world the wonderful home we want and need. Proceed to succeed by joining a genie seminar, the new exciting process of lifelong education in the universal mental skills that matter. Wage peace by fighting prejudice, poverty, illiteracy, stupidity, and making war on war. It is easy as 1-2-3. 1. Continue your HELP education lifelong. 2. Pay HELP skills forward with a click on your computer. 3. When you get a thank you; ask them to do what you did. Each teacher (you) can pay the skills forward to create a domino effect that can circle the world.

All Educational Community (EC) content is available FREE on our multiple websites. You can read the content on the screen and you can make a hard copy. You are encouraged to pay forward the EC gift to you as your gift to family, additional loved ones, and those in your reach. All it takes is a click on your computer. Our goal is not money; it is creating a movement of concerned citizens who will make today's dreams tomorrow's reality. Each person (you!) can start a domino effect that will circle the world. If you do only this, you will make your already significant life REALLY meaningful.

GUIDE #1 of 2: FREE COLLEGE LEVEL COURSE IN HELP

EINSTEIN'S SOLUTION TO CREATE SUSTAINABLE WORLD PEACE;
a step-by-step Guide to the first 30 days

Use with *Seven Word Switches to Happiness, Love and Peace*
available at www.peace.academy

Congratulations. You have come to collect your free education in the four (4) HELP qualities we require to survive and thrive in our new era where multiple tribes possess weapons with ultimate destructive power (WUD).

Happiness, Enough, Love, and Peace: HELP

This Guide sets HELP in motion step-by-step through 30-60 minutes/day of enjoyable study for 30 days. Here's the deal. Begin by learning the two most powerful yet still secret love-creation skills that teach the modern version of The Golden Rule: "*Love myself with the abundance that overflows to enrich the world.*" Follow this with a case study that illustrates how they work. Then learn the seven simple word changes, "word-switches," that free the genie within you (and each of us) to grant your wishes. When you experience the benefits of Einstein's solution, A Newer Way Of Thinking (**ANWOT**), you will want to pay these recordings forward to family and other loved ones with a click on your computer. Inspiring others to learn the HELP skills costs nothing, takes little time and energy, and will be one of your most meaningful endeavors. Each person (you) can start a domino effect that can circle the world to make HELP available to everyone, everywhere, any time.

The Educational Community 501(c)(3) nonprofit corporation has arranged for Brad Shepard, a professional speaker, actor, and radio host to record the 7plus2 Formula skills for easy listening and enjoyment while you rapidly learn. Let's get started. Time is of the essence.

ACTION PLAN: In 30 days, acquire the 2 love creation skills that teach The Golden Rule and the 7 word switches that create ANWOT. Free your Genie to grant your wishes. As you experience their power, enjoy paying them forward as your gift to loved ones.

Day 1: Click the live link to load Brad's recordings. Listen to love skills 1 and 2 and the bonus case study that shows how the love creation skills work. This will take 30 minutes. For greater satisfaction, arrange to listen together with a spouse, significant other, and/or friends. Allow for a brief discussion after listening. Learning is often more effective if you set a regular time often first thing in the day or before going to sleep.

If you learn only the 7plus2 Formula, your HELP skills will take a quantum leap. If you want to go deeper and do more, optional "extra credit" stories are provided after the 30 day action plan. If you decide to join Einstein's Peace army to become one of the one

million teachers to bring HELP to our world citizens, a comprehensive program is provided that features lifetime education in genie seminars. All EC content is guaranteed to be available on our web sites forever FREE.

Day 2: Repeat day 1. Learning requires repetition to make the love creation skills and Einstein's newer way of thinking automatic and effortless.

Day 3: Repeat day 1

Day 4: Listen to the first 5 word switches. This will take 45 minutes. If you are unable to take 45 minutes, listen for 30 minutes. Each of these 5 word switches contribute to creating a newer way of thinking. They are supercharged when used together.

Day 5: Repeat day 4. If you were unable to complete 1-5 on day 4, start where you ended on Day 4 so that be the end of day 5 you are familiar with 1-5

Day 6: Listen to word switches 6 and 7. Listening time is 15 minutes. These 2 word switches redirect the energy of older behaviors such as harmful confrontation that have become ineffective or dangerous to more civil solutions such as mental puzzle solving applying wisdom.

Day 7: Repeat day 1 Try to practice each word switch and love creation skill in your daily activities. Doing so every day will make them automatic and effortless over time.

HERE IS YOUR ACTION GUIDE #2: EINSTEIN'S SOLUTION

[Use with Seven Word Switches book]

When brilliant people speak, it is wise to listen. Einstein, regarded by many as our brightest mind, accurately predicted multiple tribes will use the $E=mc^2$ formula to proliferate weapons with ultimate destructive power (**WUD**) and unleash them en masse to create unparalleled human catastrophe. WUD offer no second chance. He realized that WUD have made our addiction to learning by trial-and-error and the win/lose "either/or" way of thinking that has been adaptable for over a billion years is suddenly more dangerous than cancer, AIDs and the Black Plague. He then shared his most important insight. To survive and thrive ***We shall require a newer way of thinking* (ANWOT).** Einstein told us trying to solve a problem with the sane thinking that caused it and expecting a different result is insanity. People resist being told they are crazy.

There are many paths to the top of a mountain. I here acknowledge specific teachers whose combined wisdom inspire the EC curriculum. I mention Einstein, Jerome Frank, Jack Canfield and Patty Aubery, Neale Donald Walsch, and Barbara Marx Hubbard whose insights will be conveyed in the course content. I have been privileged by several thousand individuals who allowed me to share the wisdom of their successes and failures in my professional role.
[link **Overview** module 4; Donald Pet, M.D./Greg Rollett interviews;]

Knowledge is humankind's source of great power. It may be used for constructive and destructive outcomes. **Wisdom** is the direction of power to preferred outcomes. A muscle is comprised of many strands; each strand adds physical strength. Mental-spiritual strength grows with each new bit of wisdom. This guide offers multiple strands of wisdom (***strens***) which you will find in the content. You are encouraged to correct and improve the content and add your creative genius to this early pioneering attempt to solve the BIGGEST Puzzle. You will have an opportunity to do so through Genie seminars. The Guide offers an orderly way to proceed. Use this guide to create your own pathway to ANWOT and make your contribution to the greater whole.

Each topic is a piece of the puzzle, a bit of wisdom that will make you "newer," a term suggested by Barbara Marx Hubbard. By collecting strens, anyone can become a mental wealth millionaire where value is measured in spiritual wealth above physical wealth. Mental-spiritual wealth millionaires consistently sustain a meaningful life experience, even when the world is unfair, while material-physical wealth millionaires more commonly remain dependent on external events for their well-being.
